HSK1 – student checkpoint

Chinese

Original course checkpoints; not official mock papers, scaled HSK scores or unseen assessments.

Work with help closed first. Play each listening passage twice. Complete reading before checking answers. Speaking and writing require human feedback; use the models for review after attempting the task.

Suggested time: listening 8 minutes, reading 8 minutes, writing 5 minutes, speaking 3 minutes. These are short-course practice times, not official examination timings.

Listening

Play the audio at exercises.lol/chinese/checkpoint/hsk1 or ask a teacher to read the separate script twice. Keep the script closed.

Writing

Write three short Chinese sentences. Give an invented name, say whether you are a student, and name one food or drink you like.

Speaking

Greet a partner, introduce yourself with an invented name, and ask the partner's name. Respond when the partner answers.

Review one uncertain detail and try a fresh response tomorrow. This checkpoint does not produce an official HSK score.
