HSK2 – student checkpoint

Chinese

Original course checkpoints; not official mock papers, scaled HSK scores or unseen assessments.

Work with help closed first. Play each listening passage twice. Complete reading before checking answers. Speaking and writing require human feedback; use the models for review after attempting the task.

Suggested time: listening 10 minutes, reading 10 minutes, writing 8 minutes, speaking 4 minutes. These are short-course practice times, not official examination timings.

Listening

Play the audio at exercises.lol/chinese/checkpoint/hsk2 or ask a teacher to read the separate script twice. Keep the script closed.

Writing

Write a polite message asking a teacher for a day off. Give a reason and say when you will hand in your homework. Invent the details.

Speaking

Ask the price of two different cups. Compare them and tell the seller which one you would like. Your partner invents the prices.

Review one uncertain detail and try a fresh response tomorrow. This checkpoint does not produce an official HSK score.
