

6 A student carried out four tests for biological molecules. The observations are shown in the table.

test	observations
iodine	orange
biuret	purple
Benedict's	orange
emulsion	clear

The diagrams show molecules or parts of molecules.

Which pair is present in the solution?

1

2

3

4

**A** 1 and 2

**B** 1 and 3

**C** 2 and 3

**D** 3 and 4
