

Exercise 6

Question 17

Your class recently went to a careers day to get information about different types of jobs. Now your teacher wants you to write a report about the careers day.

In your report, say what you found useful about the careers day, AND how you think it could be improved next year.

Here are some comments from students in your class:

The people were very friendly.

All the jobs were quite similar.

I managed to ask a lot of questions.

One day wasn't long enough.

Now write a report for your teacher about the careers day.

The comments above may give you some ideas, and you should also use some ideas of your own.

Write about 120 to 160 words.

You will receive up to 6 marks for the content of your report, and up to 9 marks for the language used.
