
Vocabulary Test 词汇测验

A-Level Biology · Week 9

Topic 4 · Cell membranes and transport

Sections A and C are marked on exact spelling; Section B accepts any listed Chinese form.

Question	Answer	Marks
1	glycoprotein	1
2	antigen	1
3	stability	1
4	partially permeable membrane	1
5	cell signalling	1
6	ligand	1
7	target cell	1
8	receptor	1
9	passive	1
10	simple diffusion	1
11	concentration gradient	1
12	carbon dioxide	1
13	facilitated diffusion	1
14	active transport	1
15	endocytosis	1
16	volume	1
17	surface area	1
18	通透性	1
19	激素	1
20	扩散	1
21	离子	1
22	胞吐作用	1
23	琼脂	1
