

Exercise walk-through

Sustained Investigation: Images and Written Evidence ■ 6.2

eXercise

You must be able to

- explain what the 15 images should show
- use images for process, not only finished pieces
- write **written evidence** 书面材料 naming the **guiding questions** 引导性问题
- make the inquiry easy to follow

Method — What the images show

The **15 images** should tell the story of the inquiry — works AND process (experiments, in-progress shots), showing practice, experimentation, and revision.

Method — Written evidence

The **written evidence** must name the **guiding question(s)** and explain how the work shows your process.

Method — Clarity

Order images and write clearly so a reader follows the development from start to finish.
