

Solutions

Each answer shows the steps, then the **result**.

2.1 A

- the light-to-dark range is a value scale

2.2

- highlight, mid-tone, core shadow, reflected light, cast shadow

2.3

- dramatic, mysterious, or moody

3.1

- Look for: even, distinct steps with no jumps (2); object modelled with a clear light source using ≥ 5 values (2)

3.2

- Look for: key choice justified by intended mood (1); thumbnail's value distribution matches that choice (2)
