

Solutions

Each answer shows the steps, then the **result**.

2.1 B

- a repeated arrangement is a pattern

2.2

- the repeated element ties areas together; the work feels consistent and whole

2.3

- vary spacing, size, or colour / introduce a deliberate break

3.1

- Look for: a clear repeatable motif (1); consistent repetition forming a readable pattern (2)

3.2

- Look for: the varied unit clearly stands out (2); the surrounding pattern stays unified (1)
