

Solutions

Each answer shows the steps, then the **result**.

2.1 B

- consistency and wholeness = unity

2.2

- only unity is monotonous/dull; only variety is chaotic — both together give an interesting yet coherent work

2.3

- repeat a colour/shape/texture, or group elements by proximity

3.1

- Look for: a clear unifying element (1); deliberate variation that keeps interest without breaking unity (2)

3.2

- Look for: first sketch reads as monotonous (1); revision adds variety while a unifying thread remains (2)
