

2 Protecting and watching physical spaces – Part 2 —Answers

Answers

Work through these after you have tried the questions yourself.

2.1 piggybacking tricks an authorised person into helping (holding the door); tailgating slips in unnoticed without their knowledge.

2.2 it is a two-door airlock letting one person pass at a time, so no one can follow an authorised person through.

2.3 any two of: cameras; security guards; motion sensors.

2.4 constant movement causes many false alarms, so staff stop taking the alerts seriously.

2.5 a UPS provides backup power during an outage, keeping devices and services available. \
