

Solutions

Each answer shows the steps, then the **result**.

2.1 B

- a **master copy**, labelled as a study

2.2

- they are strong evidence of experimentation/practice; an annotated failure shows a real risk was taken

2.3

- dates document growth 'over time', which is a scored idea

3.1

- daily studies present; a labelled master copy; a kept, annotated failure; every entry dated with notes; the spread reads as real practice, not decoration

3.2

- a reasoned choice; links the spread to practice/experimentation/study
