

Solutions

Each answer shows the steps, then the **result**.

2.1 B

- five works (40%); the SI has 15 images (60%)

2.2

- Drawing/2-D/3-D use different skill sets and rubrics; submitting to the wrong one wastes months on the wrong criteria

2.3

- photography, writing, and selection each need real weeks, so they must be scheduled in

3.1

- all four stages placed; a sensible backward order from May; realistic month allocations

3.2

- works sorted by Drawing skill set; a reason given for a borderline case
