

7.2 Sustained Investigation: Images and Written Evidence

Name: _____ Class: _____ Date: _____

Total: 11 marks

KEY WORDS written evidence 书面证据 • citation 引用 • materials 材料 • processes 过程
• portfolio 作品集

Objective

Pair 15 images with short **written evidence** 书面证据 that agrees with them.

You must be able to:

- let images show and writing state
- caption materials, processes, and dimensions
- include process images among the 15
- order the images as a narrative

1 Worked examples

Study these first. Each one shows the method for a task used later.

■ Show and state

The images show; the writing states the inquiry and how it developed (~1,200 characters).

■ Captions

Every image carries materials, processes, dimensions, and citations where needed.

■ Order as a story

Scorers read the 15 as a sequence — order them so the growth reads.

2 Practice

2.1 Process images (journal spreads, in-progress shots)

[1]

A	B
C	D

A are not allowed

B count among the 15 SI images

C must be exactly five

D replace the writing

2.2 Why does the order of the 15 images matter? [2]

2.3 What two things must the SI written evidence do? [1]

3 Studio & portfolio tasks

3.1 Sequence a **15-image plan** for one investigation.

(a) Sketch thumbnails for 15 images and number them in reading order. [4]

(b) Mark which are process images. [1]

3.2

() Draft one image caption: materials, processes, and dimensions. [2]
