   _____

exercises.lol exercises.com.cn

   ☐ physical distance

   ☐ relationships

   ☐ chronological distance

   ☐ vocabulary

   Tick every correct option.

8. A thesis may answer a different question from the prompt if it is interesting.

   ☐ True ☐ False

9. Following the plot's order gives an essay an argument by itself.

   ☐ True ☐ False

10. The final paragraph should follow from the earlier ones, not just add another point.

    ☐ True ☐ False

1. **Tears it up and decides to help Jim**

   His action reveals his values.

2. **The town's baths are poisoned by pollution**

   The town turns against him for telling the truth.

3. **"It would degrade me to marry Heathcliff now"**

   He leaves before she says he is "more myself than I am".

4. **The smoke and ashes have covered it**

   Industry darkens everything.

5. **His old dog Argos**

   The dog wags his tail and dies.

6. **address**

   Direct address.

7. **physical distance; relationships; chronological distance**

   Emotional investment completes the four; vocabulary is diction.

8. **False**

   Answer the prompt's task.

9. **False**

   Organise by claims.

10. **True**

    Arrangement carries the logic.
