

Solutions

Each answer shows the steps, then the **result**.

2.1

- an interpretation of a literary text requiring defense through textual evidence and a line of reasoning explained by commentary

2.2

- the standard does not drop but the drafting time does, so the thesis must be arguable immediately

2.3

(a)

- find one thing the text does repeatedly and state what it achieves

(b)

- it takes longer to write and earns nothing

3.1 A

- unchanged

3.2 A

- slower and unrewarded

3.3

(a)

- one thing the passage does repeatedly

(b)

- state what the repetition achieves for the reader in a sentence someone could disagree with
