Work through these after you have tried the questions yourself.

2.1 the study of classical texts to prepare people for public life.

2.2 scholars in different places could refer to the same page, so corrections and arguments became cumulative.

2.3 someone paid for it and chose what it showed, so its subjects record what was valued.

2.4 secular and scientific values emerged alongside religious ones rather than replacing them.

2.5 perspective. \
