Work through these after you have tried the questions yourself.

2.1 a method can be studied and countered, while sustained industrial capacity cannot be out-thought.

2.2 any three of: American and British industrial, scientific and technological power; cooperative military efforts under strong leadership; civilian resistance; the all-out commitment of the USSR.

2.3 motive - racism and anti-Semitism; actors - Nazi Germany, with some other Axis powers and collaborationist governments.

2.4 not all the other Axis powers cooperated, so the qualifier is what makes the sentence accurate rather than a generalisation.

2.5 any two of: Roma; homosexuals; people with disabilities. \
