

Solutions

Each answer shows the steps, then the **result**.

2.1

- an independent global presence, by claiming territory throughout the North American continent and promoting foreign trade

2.2

- military actions; American Indian removal; diplomatic efforts such as the Monroe Doctrine

2.3

(a)

- that the United States treated American Indian nations as an obstacle to continental control rather than as a purely domestic matter

(b)

- a diplomatic effort

3.1 A

- struggling

3.2 A

- diplomatic

3.3

(a)

- yes

(b)

- it states a position other powers must take into account, and the CED classes it as a diplomatic effort regardless of enforcement capacity
