

Solutions

Each answer shows the steps, then the **result**.

2.1

- the 13th abolished slavery; the 14th and 15th granted citizenship and equal protection and voting rights

2.2

- determined Southern resistance; the North's waning resolve

2.3

(a)

- it was emboldened and divided over the amendments

(b)

- political opportunities and other leadership roles for formerly enslaved persons

3.1 A

- waning resolve

3.2 A

- voting rights

3.3

(a)

- the measure enacted the principle for some and not for others

(b)

- some supported the amendments as an advance for the principle, while others opposed measures that extended rights while leaving women out
