Work through these after you have tried the questions yourself.

2.1 economic development; settlement; advanced irrigation; social diversification.

2.2 any two correct, e.g. Great Basin - largely mobile lifestyles; Northeast - mixed economies with permanent villages.

2.3 responded; developed.

2.4 societies in similar environments organised differently, so the environment sets the problem without dictating the answer.

2.5 the CED gives four distinct regional ways of living, so a single description contradicts the source. \
