

4 The market revolution and who it reached – Part 1 —Answers

Answers

Work through these after you have tried the questions yourself.

2.1 market relationships between producers and consumers came to prevail as manufacture became more organised.

2.2 any four of: textile machinery; steam engines; interchangeable parts; the telegraph; agricultural inventions.

2.3 they linked the North and Midwest more closely than they linked regions in the South.

2.4 a larger middle class; a small but wealthy business elite; a large and growing population of laboring poor.

2.5 it limits the gain to part of the population rather than to everyone. \
