Work through these after you have tried the questions yourself.

2.1 limit Communist military power and ideological influence; create a free-market global economy; build an international security system.

2.2 policies and methods for exposing suspected communists at home; the broader strategy of containing communism.

2.3 they had varying levels of commitment to democracy.

2.4 many remained nonaligned rather than joining either bloc.

2.5 it fluctuated between direct and indirect confrontation and periods of mutual coexistence or détente. \
