Work through these after you have tried the questions yourself.

2.1 significant tax cuts and continued deregulation of many industries.

2.2 inertia and liberal opposition, because many programs remained popular with voters.

2.3 increased U.S. military spending; Reagan's diplomatic initiatives; political changes and economic problems in Eastern Europe and the Soviet Union.

2.4 employment rose in services and fell in manufacturing; union membership declined; real wages stagnated for the working and middle class. \
