

Question 2: Short Answer Primary Source**3 points****General Scoring Notes**

- Each point is earned independently.
- **Accuracy:** These scoring guidelines require that students demonstrate historically defensible content knowledge. Given the timed nature of the exam, responses may contain errors that do not detract from their overall quality, as long as the historical content used to advance the argument is accurate.
- **Clarity:** Exam responses should be considered first drafts and thus may contain grammatical errors. Those errors will not be counted against a student unless they obscure the successful demonstration of the content knowledge, skills, and practices described below.
- **Describe:** Provide the relevant characteristics of a specified topic. Description requires more than simply mentioning an isolated term.
- **Explain:** Provide information about how or why a historical development or process occurs or how or why a relationship exists.

[a] Briefly describe one historical context that might explain the creation of the image. **1 point**

Examples that earn this point include the following:

- Social reformers advocated against alcohol consumption.
- The Second Great Awakening influenced moral and social reforms.
- During the Age of Reform, Americans formed new voluntary organizations, such as the Temperance League, to change individual behaviors and improve society.
- The growth of definitions of domestic ideals that emphasized the separation of public and private spheres promoted women as moral leaders of society.
- Temperance activists used religious and moral arguments in opposing the consumption of alcohol.

[b] Briefly explain how the image reflected one continuity in ideas about reform from 1800 to 1874. **1 point**

Examples that earn this point include the following:

- Beginning with the Second Great Awakening, religious ideas influenced efforts to reform society.
- Beginning during the market revolution, concerns about Americans' consumption of alcohol continued throughout this period.
- Women believed they had a special role as leaders of reform movements throughout this period.
- The idea of separate spheres helped justify women's moral role in leading reform efforts.
- The growth of the women's rights movement beginning in the 1840s led to concern about the effect of alcohol abuse on women and families.

[c] Briefly explain how one previous belief about reform continued from 1875 to 1940. **1 point**

Examples that earn this point include the following:

- The temperance movement culminated with the passage of the Eighteenth Amendment, beginning Prohibition.
- Progressive women believed that they could create a more moral society and took a major role in reform movements, such as those to help immigrant populations.
- Jane Addams and other women reformers believed they could improve society, so they founded settlement houses.
- Women continued to advocate for greater rights through the suffrage movement and secured the passage of Nineteenth Amendment.
