

9 Globalisation and the responses to it – Part 2 —Answers

Answers

Work through these after you have tried the questions yourself.

2.1 in the second half of the century; the communication technologies of 9.1 spread in those decades.

2.2 the inequality of the environmental and economic consequences of global integration.

2.3 the objection is to how consequences are distributed, not to integration, so they ask for a different distribution rather than an end to the process.

2.4 responses to rising cultural and economic globalisation took a variety of forms.

2.5 any two of: adoption; adaptation; negotiation; institutional responses through trade agreements. \
