 - ☐ It was nice.
 - ☐ It was terrible.
 - ☐ The ending was confusing because the final scene introduced a character never mentioned earlier.
6. A recommendation should fit the evidence and evaluation in the review.
 - ☐ True ☐ False
7. A review ends with a clear _____, telling the reader whether to try it.

IGCSE English

1. Describe AND give your opinion

A review balances description and opinion.

2. describe AND give opinions

A review balances description and opinion.

3. examples

Examples make your opinion believable.

4. True

Yes – tell the reader whether to try it.

5. The ending was confusing because the final scene introduced a character never mentioned earlier.

The last sentence names a judgement and the precise feature that caused it.

6. True

The advice follows from the strengths, weaknesses and intended audience; it should not contradict the middle.

7. recommendation

A recommendation turns the evaluation into useful advice.
