HSK 4 Grammar

Use the examples with their context and limits. Recall a sentence before reading the model. Original teaching additions accompany examples adapted from Chinese Grammar Wiki (AllSet Learning, CC BY-NC-SA); see the course reference provenance.

Verb + 起来 (in terms of doing it)

■ An assessment through an activity differs from its onset

- A device is easy to use.
- **这个工具用起来很方便。** – 起来 frames the evaluation in terms of using the device.

■ Build the form

- The pattern in this lesson is **Verb + 起来 (in terms of doing it)**. Locate it in the original interlinear examples below.
- Keep the words in their demonstrated positions; the pattern must fit the intended situation as well as the sentence form.

这个词用起来很方便。

zhè ge cí yòng qǐ lái hěn fāng biàn

Word guide: 这 – this; 个 – (measure word); 词 – word; 用 – use; 起来 – (to use); 很 – very; 方便 – convenient.

■ Read examples in context

- In the opening example, **这个工具用起来很方便。**: 起来 frames the evaluation in terms of using the device.
- Explain who acts, what is described and which time or group is relevant before choosing an English paraphrase.

■ Know the boundary

- 笑起来 can instead mean starting to laugh.
- Read the following assessment to distinguish the evaluation frame from onset or upward movement.

■ Use the distinction

- 起来 frames the evaluation in terms of using the device.
- 笑起来 can instead mean starting to laugh. Read the following assessment to distinguish the evaluation frame from onset or upward movement.

■ Try it with help closed

A device is easy to use. Close the examples. Say a Mandarin response, then write it in Chinese. Explain briefly in English what the lesson's pattern adds. Compare with the model, then change one detail and try again.

One possible response: 这个工具用起来很方便。

- My response conveys a message that fits the opening situation.
- I can explain the meaning of the pattern, rather than only naming it.
- 笑起来 can instead mean starting to laugh.
- Read the following assessment to distinguish the evaluation frame from onset or upward movement.
- I tried a second response with a name, time, place, or description changed.
