本来 vs 原来 (originally vs it turns out)

■ An earlier state differs from a new discovery

- You had intended to go, while a friend's identity has just become clear.
- **我本来想去；原来是你。** – 本来 marks the earlier intention and 原来 marks the discovery in these contexts.

■ Build the form

- The pattern in this lesson is **本来 vs 原来 (originally vs it turns out)**. Locate it in the original interlinear examples below.
- Keep the words in their demonstrated positions; the pattern must fit the intended situation as well as the sentence form.

我本来想去的。

wǒ běn lái xiǎng qù de

Word guide: 我 – I; 本来 – originally; 想 – want; 去 – go.

■ Read examples in context

原来是你!

yuán lái shì nǐ

Word guide: 原来 – so it turns out; 是 – is; 你 – you.

- In the opening example, **我本来想去；原来是你。**: 本来 marks the earlier intention and 原来 marks the discovery in these contexts.
- Explain who acts, what is described and which time or group is relevant before choosing an English paraphrase.

■ Know the boundary

- 原来 can also mean originally, and 本来 can mark an inherent fact.
- These useful examples are not mutually exclusive dictionary definitions.

■ Use the distinction

- 本来 marks the earlier intention and 原来 marks the discovery in these contexts.
- 原来 can also mean originally, and 本来 can mark an inherent fact. These useful examples are not mutually exclusive dictionary definitions.

■ Try it with help closed

You had intended to go, while a friend's identity has just become clear. Close the examples. Say a Mandarin response, then write it in Chinese. Explain briefly in English what the lesson's pattern adds. Compare with the model, then change one detail and try again.

One possible response: 我本来想去；原来是你。

- My response conveys a message that fits the opening situation.
- I can explain the meaning of the pattern, rather than only naming it.
- 原来 can also mean originally, and 本来 can mark an inherent fact.
- These useful examples are not mutually exclusive dictionary definitions.
- I tried a second response with a name, time, place, or description changed.
