   ETS offers Standard, Speaking and Writing. There is no maths test.

2. **36**

   $25 \times 60 = 1{,}500$ seconds; $1{,}500 \div 42 \approx 36$ seconds.

3. **A total score; Three section scores; A Lexile measure**

   The report has section scores, a total, an overall level, CEFR levels and a Lexile measure. There is no pass or fail.

4. **126**

   Three sections of 42 questions each, $3 \times 42 = 126$.
