2.1

- Patent 20 years; trade mark 10 then renewable.
- Copyright life + 70; registered design 25 years.

2.2

- Infringement of a registered mark: identical on identical - no confusion argument needed.
- Evidence: the registration certificate; the burden barely moves.

2.3

- Patent: 20-year monopoly, but the application publishes the recipe.
- Secret: indefinite, but only while conduct protects it - NDA, named holders, exit interviews.

2.4

- Quality control retained, reversion on breach - and Nimbus, never the sponsor, owns any registration.
